

LINNEA EDEBERT

JUNIOR CONSULTANT

PROFILE

Linnea began working with FAR Lane in May 2021. Originally from Sweden, she moved to Perth, Western Australia in 2017 to obtain an internationally regarded degree. Linnea graduated from the University of Western Australia in 2020 with a Bachelor of Commerce in Finance and Management. She has great interest in business strategies and entrepreneurship, as well as innovation in economic development.

In Sweden, Linnea was the Financial Officer of a “Youth Business” group and was responsible for the; reporting, budgeting and accounting of the business. Her “Youth Business” offered fully customisable staffing solutions for private and public events. Linnea’s impressive efforts were recognised and she received the Best Youth Services Business Award for the region of Stockholm. This experience has made her well versed in coming up with viable and financially prosperous economic solutions for both private and public enterprises.

While in Perth, Western Australia, Linnea completed an internship with accounting group Hayden Kinnaird. This complimented her studies and improved her understanding of financial planning as she was required to complete tasks usually undertaken by financial planners.
